Meeting Minutes
May 2020

Meeting was called to order. Treasurer's report presented and accepted.
Secretary report accepted.

Old Business:

1. The grant application for the barrier fence for skeet and lights was sent in by Tom K. We will be waiting to hear back before going forward with building the fence.
2. We have obtained some free railroad ties and will be setting those in place before buying any new ties. Once all ties are in place, gravel will be ordered and spread to finish the parking/driveway.
3. The topic of the new wobble house was again tabled until the next meeting.
4. Pete M. addressed the meeting with his proposal for a youth league. All members were in agreement and Pete will set things in motion to start the league on the 24th of May. Youth league will end July 19th with a picnic planned on July 25th.
5. Our ATA packet arrived in the mail. We have postponed the shoot until a later date due to covid-19. The hope is to have a shoot in the fall if not sooner.
