

MORRISTOWN GUN CLUB

FALL

Youth Trap League

A fall league is offered as a way for area youth (grades 6-12) to continue to improve their trap shooting skills in a fun and competitive environment. This can be readiness for spring high school leagues or just for fun.

Registration is \$60 (cash or check) per participant and includes 12 rounds of trap. The two lowest scoring rounds will be dropped from your individual final results. Rounds can be completed anytime the club is open (Thur. 5-dusk and Sun. 11-2). There is not an end of season event for the fall league.

Bragging rights and prizes (punch cards for free rounds) are awarded to top ranking participants in each division.

Turn the completed form and payment into the club anytime to register.
